

Palm Springs Classic Civic Support Urged

By JACK KNUDSON
The Palm Springs Golf Classic is worth millions of dollars to the city and its environs. It's a program that should have the full support of every one of 1,400 licensed businesses that benefit from the event.

Such was the tenor Friday afternoon as golf tournament leaders cleared the books on this year's event and launched plans for the third annual Palm Springs Golf Classic, scheduled for Jan. 31-Feb. 4, 1962.

The theme was set by Mayor Frank Bogert and Dan Thornton, former governor of Colorado, principal speakers at an El Mirador Hotel luncheon program in which proceeds of the last tournament were distributed to charity.

Bogert struck out at the apathy of local businessmen about the tournament. Citing light advance ticket sales last year, he announced that he wanted and planned to appoint a committee in Palm Springs to push support of the classic.

Gov. Thornton enlarged upon the mayor's line of thought by pointing up that Denver, Colo., officials rate the value of their annual open golf tournament at about 20 million dollars.

"About 1,400 licensed businessmen here will benefit from this program," Thornton declared. "It will bring at least 20,000 people to town."

Doing his calculations aloud, Thornton figured these visitors would buy a million gallons of gasoline, buy 40,000 meals, spend in the stores and even benefit professional men and service firms.

Pointing out that there was no question about the success of the classic as one of the nation's major golf events, Thornton asserted that if Palm Springs does not give the tournament better support, it may be taken over by Indio or Phoenix, Ariz.

\$6,500 FOR CHARITY is accepted by Hardin Hart, right, in behalf of the Palm Springs Community Chest. The presentation by Leonard Firestone, president of the Palm Springs Golf Classic executive board, was one of seven charity checks totaling \$16,500 distributed yesterday. Firestone said a much greater benefit fund is expected from the 1962 classic. (Photo by George Aquino)

Hotel Operators Hit Traffic Plan

Strebe Promises Effort for Improved Control of Traffic

A concerted effort for better traffic control, more off-street parking and additional east-west streets in the north end of Palm Springs has been pledged by City Councilman Earle C. Strebe.

Strebe made the promise last night to a group of northend hotel operators meeting in the chamber of commerce conference room.

Two Hurt in Desert Crash

Two Los Angeles men received moderate injuries when their car sideswiped a truck, hit a bridge, and overturned in Highway 111 near Windy Point early today, the California Highway Patrol reported.

Some spokesmen questioned the seriousness of the traffic problem, asserting that Palm Springs businessmen want traffic to move slowly down Palm Canyon Drive.

Julio Pascual, 41, and Amador Tacada, 41, a passenger in Pascual's car, were reported in satisfactory condition in Desert Hospital today. A hospital spokesman said both suffered contusions and lacerations. Pascual was unconscious when retrieved from the wreckage, CHP officer R. H. Winter reported.

Strebe was critical of the hotelmen's meeting, asserting that it was the wrong approach. The problem should have been taken to the city manager and department heads, he said. But he urged those present to organize for and continue an effort to achieve what they thought they wanted for the city.

Pascual's vehicle sideswiped a steel-laden tractor-trailer truck in the north end of the curve on the northwest side of Windy Point, the CHP reported. After striking the left-front of the cab, the driver's wheel, and the left-front of the trailer, Pascual's car careened into the bridge abutment 80 feet north of the first collision, and overturned in the road, truck driver Aubrey Clendennen, Odesa, Tex., reported.

The chamber of commerce petition was presented to Manager Jimmy Cooper, who emphasized that the chamber's board of directors had not yet taken a stand on one-way streets.

TB UNIT SETS FREE X-RAYS

The mobile X-ray unit of the County Health and Tuberculosis Association will be at the city health center south of the police station Monday.

Investigation of the accident is still underway.

200 Instructors To Help Ally in Communist Fight

WASHINGTON (UPI) — The United States has ordered 200 Air Force instructors and some B26 bombers to South Viet Nam to help strengthen that beleaguered country's air power.

Informed sources said the action was taken pending final decisions by President Kennedy to Gen. Maxwell D. Taylor's proposals for bolstering South Viet Nam against growing Communist guerrilla attacks.

The sources said only a "small number" of World War II B26s were going to South Viet Nam. They carry 16 machine guns and could be used to strafe and bomb guerrilla forces.

There were also reports Friday that equipment now entering South Viet Nam included Army helicopters. The Army has been experimenting with helicopters that launch small rockets.

Taylor, the President's special military adviser, recently returned from inspecting South Viet Nam's forces. He is understood to have advised Kennedy against sending any sizable force of U.S. fighting troops to the Southeast Asian country now.

The Defense Department sought to eliminate any suggestion that the Air Force was carrying out big supply operations in South Viet Nam now.

"We frequently fly equipment into Viet Nam when necessary as part of our regular support," the Pentagon said. "It is part of our regular military assistance program to train certain Viet Nameses in the United States and to assist in training in South Viet Nam. This has been going on for years."

But authorities said about 200 Air Force instructors had been added to the present 700-man U.S. military group now in South Viet Nam.

The spokesman said a letter notifying Baylor of his induction was sent by certified mail.

Twenty Men to Start New Life In Searchlight

By ROBERT W. FLICK

SEARCHLIGHT, Nev. (UPI) — Twenty men and a mongrel dog today started life anew in this onetime boom town with high hopes of finding gold overlooked nearly a half-century ago.

News In Brief

KANSAS CITY, Mo. (UPI) — Harry S. Truman joined Dwight D. Eisenhower today in the contention that to know people better is to like them more. The two ex-presidents left unresolved the question whether this is 100 per cent true in their case.

SANTA MARIA, Calif. (UPI) — A top Washington diplomatic correspondent believes Nikita S. Khrushchev probably wants Berlin negotiations now because he "already has secured about what he hoped to get when he whipped up the current crisis."

CLAPHAM, England (UPI) — When a gunman pointed a pistol Friday night at Mrs. Mary Clow, 50, an office worker, she told him "don't be silly."

SAN FRANCISCO (UPI) — Elgin Baylor, star of the Los Angeles Lakers basketball team, is being called to active duty with the Army, an Army spokesman said today.

The gunman pulled the trigger, got nothing but a click and then ran away.

The spokesman said a letter notifying Baylor of his induction was sent by certified mail.

MOSCOW (UPI) — Stalingrad has been renamed "Volgograd" by the Russian Republic Presidium in accordance with Premier Nikita Khrushchev's apparent decision to obliterate the name of Josef Stalin from Russian history, the Communist organ Pravda announced today.

Well-informed sources said Molotov also had been dismissed from his latest official post as Russia's chief delegate to the International Atomic Energy Agency, which has its headquarters here.

While the arrival of a similar caravan in most any other town probably would not be considered a boom, it could be just that for this desert village nestled in the hills 55 miles south of Las Vegas and 20 miles east of the California border.

Soviet Embassy officials hustled him and his wife to the Vienna railway station Friday night and put them aboard the Moscow Express minutes before its departure.

Two hours later, the train crossed the border into Czechoslovakia and sped on toward Moscow, where it is scheduled to arrive Sunday.

The Communists started both exchanges by tossing tear gas grenades at a television crew of Radio Free Berlin that was shooting border scenes.

The Communists, meanwhile, continued to plug the holes in their wall. West Berlin police reported that more East Berliners were evicted from homes on a street bordering the French sector.

Check Boosts Pathfinders Club Efforts

Mrs. Victor Hugo - Vidal, president of Palm Springs Pathfinders, who yesterday accepted a \$4,500 check from Palm Springs Golf Classic, designated for the Palm Springs Boys Club, today announced that the Pathfinders Hat Parade Luncheon netted another \$3,500 for the Boy's Club swimming pool.

The \$4,500 grant cannot be used for capital improvements, so it will go directly to the Boys Club, which has need of operational and equipment money, as it has not received its full allotment from Community Chest. Mrs. Hugo-Vidal and Mrs. S. P. Manasse, who has headed up the swimming pool project, said that it is making good progress and Don Goundry, Boys Club president, reported that the master plans are about completed and it is hoped that the ground breaking can be set for early in 1962.

Total Now at \$17,200 Pathfinders started the swimming pool project with a grant of \$7,000; has raised \$13,500 on the sale of signature tiles for around the pool; and the \$3,500 from the Hat Parade Luncheon, making a total of \$17,200 that has been turned over to the Boys Club.

Exact cost of the Olympic-sized swimming pool will not be determined until the master plans, which are being drawn up by Rick Harrison are completed and accepted, but Pathfinders representatives said today that it will require more funds to build a hood for the pool, and dressing rooms, to complete the project of providing a swimming pool for the boys and girls of Palm Springs. It is planned that special days will be set aside for the girls to use the pool.

In the meantime sale of signature tiles at \$25, with the larger ones at \$100 each, continues, and the Pathfinders are busy on the Cognac Festival luncheon at Thunderbird, which they will stage on Dec. 9.

Palm Springs Pathfinders, a strictly local philanthropic organization, has no affiliation with any other group and spends all its charity funds locally.

Heavy Industry Hit by Planners

The city planning commission prepared recommendations for proposed county commercial zoning considerations of 67 acres of land northeast of the city between the Whitewater channel and the railroad tracks, during a special meeting Thursday.

The planning recommendations ask that no objectionable heavy industry be placed in the area, and that no direct road access for industrial traffic be given through Palm Springs residential areas. The acreage is being developed by the Beanco Corp., Beverly Hills, with 120 lots.

CD Component Supplier List Being Compiled

In an effort to ascertain data on local sources for the purchase of supplies and components for civil defense shelters, the County Board of Trade, aided by the local chambers of commerce, will compile a directory of suppliers. Col. Melville I. Stark, Civil defense coordinator for the County of Riverside, said that a flood of inquiries requesting names and addresses of fallout shelter suppliers have been received by him. In an effort that both the residents and merchants of Palm Springs might benefit, Jimmy Cooper, manager of the local Chamber of Commerce, would appreciate the cooperation of local retailers, wholesalers, and distributors which handle fallout shelter components, equipment and suppliers, including:

Some Items
Air filtration units and air blowers, electric and manually operated; canned drinking water; chemical toilets, waste containers, disinfectants and deodorants; exhaust ventilators; fire extinguishers; generators and emergency lighting systems; gravity separating air vent hoods; pre-packaged emergency food supplies; radiation detection and measurement instruments; steel doors; water purifiers, water storage tanks; and manual pumps.

Vendors Asked
Vendors who handle the foregoing items are asked to send their names, addresses, and telephone numbers, together with the list of items they handle, to the Riverside County Board of Trade, 4004 Orange St., Riverside.

For the protection of the public vendors should list only items approved by the Federal government, and the request is to note this fact on the list. According to the local chamber, the directory, which will be compiled from these letters, will prove not only a public service, but also a service to the businessmen of Riverside County.

BURNING FUEL BOILS MONKEY AS ROCKET MISSILE FAILS

CAPE CANAVERAL, Fla. (UPI) — An 82-foot intercontinental rocket carrying a tiny monkey named Goliath in its nose cone blew up in a boiling mass of burning rocket fuel today less than one minute after it was launched. The nose cone carrying the 14-pound squirrel monkey and many times his weight in delicate scientific equipment plunged into the surf, bringing a sudden end to what had been planned as a 3,000-mile flight through space.

The giant Atlas rocket blasted from its pad at 6:56 a.m. PST but a half-minute later it suddenly leaned flatly and in a split second an explosion turned the silver missile into an inferno.

The wreckage tumbled back to the cape and into the Atlantic Ocean. Some of the wreckage struck near Atlas pad No. 14, where the federal space agency is preparing another rocket for an attempt to fire a baby chimpanzee into space next Tuesday.

However, none of the debris apparently hit the rocket itself. Small recovery ships marked the spot, about 100 yards offshore, where the wreckage hit and began attempts immediately to salvage the wreckage.

It could not be determined immediately whether the nose cone was still in one piece and scientists declined to say whether the monkey had apparently died instantly.

Goliath had been waiting inside the nose cone for nearly 50 hours for his chance at fame in space along with Ham, the chimpanzee rocketed aloft aboard a Redstone missile in the last animal flight from here on Jan. 31. Goliath had undergone training that included enduring 80 hours of darkness without food and water, and had survived well, scientists said.

'Infallible' Birth Control Pill Discovered

SAN FRANCISCO (UPI) — A birth control pill which has been under study in San Francisco since April has proved "infallible" when properly used, according to the Planned Parenthood Association.

The pill, known as "Enovid," is a hormone preparation which interrupts the female reproductive cycle to prevent conception. A month's supply costing \$3 to \$3.75, is taken one pill daily for 20 days.

The study was conducted by Dr. Alan J. Margolis, director of the association, and Dr. Harry Weinstein of the association's two San Francisco clinics.

They said Thursday that of the 597 women who completed the program, none has become pregnant. Weinstein said the pill was "safe, foolproof...the most successful contraceptive method yet offered."

However, the drug has sometimes caused side effects, such as nausea, and its long-term effects are not yet fully known, he said. The Federal Food and Drug Administration currently limits its use to two years by each woman.

Retail Sales Up

WASHINGTON (UPI) — The Commerce Department has reported that retail sales rose 2 per cent from September to October, the best gain in more than a year.

Brisk buying of 1962 model cars was the chief cause, although sales by clothing and general merchandise stores also rose appreciably.

The department said Thursday that sales totaled \$18,588,000,000 last month. This was about equal to the strong consumer buying performance of October, 1960.

USO Fund Drive In Final Stage

TWENTYNINE PALMS — The annual USO Fund Drive is entering its final stage and to date over half of the funds have been obtained. The volunteer workers are concentrating on an extensive drive hoping to reach their goal during the next fortnight.

The local USO is one of the busiest places in this High-Desert community, and the funds obtained during this drive will help keep the service club in operation during the next year.

Under the direction of Salvation Army Maj. F. F. Holmlund, the doors opened to over 62,000 military men, and their dependents and guests, during the past year. And to these young people there 1,333 volunteers, from local organizations and churches, served a half a ton of homemade sandwiches, 760 dozen donuts, 509 cakes and pies, and an undetermined number of cookies. Over 35,000 cups of fruit punch and ice tea, plus 197,706 cups of coffee were consumed.

Refreshments were not the only reason the men from the Marine Corps Base found the USO such a popular retreat. Upon entering the Spanish-style structure located on South Adobe Road, the service man find a spacious TV room and writing room and a patio where ping pong tables and shuffle board equipment is available.

But recreation facilities are only a part of the services offered by the USO. Many new arrivals to the community are seeking suitable housing for their families and nearly 200 have asked for and received help from the volunteer workers. Others are interested in learning more about the high-desert or nearby coastal cities, and they need go no further than the information desk. Counseling and guidance to those needing either is also available.

In addition to the annual fund raising drive, local and district workers are constantly on duty, ready to help in any way they are needed. Business and professional workers in Twentynine Palms are Mrs. Lillian Allen, Miss Margaret Kennedy, Don King, John Lyons, Jim Quillan, Jim Riggs, Mel Hodson, Dave Williams, W. Beckman, Gary Brush, Dr. Robert L. Smeton and William Supernough. District workers are Mrs. Mary Nichols, Erv White, Al Davis, Mrs. Sandy Whytock, Bayard Roundtree, Joe Tietz, H. Anderson, J.

... "Before this, the White House Doctor was a Military man, but let's face it — how can you ask a General to baby-sit?" ... "The appointment was a surprise. You'd think he'd pick someone who could at least pass or run interference!" ... "But seriously, this is the greatest plug for lady doctors since Lizzie Borden operated on her Pa and Ma!"

"I WOULDN'T worry too much if your son makes mud pies" advised the doctor, "or even if he eats them. Sometimes that's quite normal." "Well, I don't think so" snapped the mother, "and neither does his wife."

Teen Age Marriages A Problem

By GAY PAULEY

Teen-age marriages create problems for the school officials as well as for parents of the teen-age couples.

Some educators contend that a marriage in high school should mean expulsion of the couple. Others argue that marriage should not terminate the teenagers' formal education.

A statistical look at how the young are marrying younger, and the results—both in schooling and in the divorce rate—came across this desk today from the Science Research Associates, Inc. The organization, with headquarters in Chicago, specializes in educational services including guidance publications.

Its researchers have rounded up the latest information on teen marriages and education from governmental and privately-supported organizations, from school publications and sociologists.

Young Marriages

A population reference bureau study, for instance, showed that in 1958 (latest year studied), 39 per cent of all brides and 12 per cent of all bridegrooms were in their teens.

In 1950, the figures were 32 and 7 per cent respectively.

In turn, a Bureau of the Census study showed that the annulment and divorce rates are the highest and the probability of second and third marriages the greatest among women wed for the first time while they were 19 years or younger.

Researchers cited another study state-wide in Iowa made by Dr. Lee G. Burchinal, who found that teen-age marriage often means dropping out of school. Dr. Burchinal found that 80 per cent of the girls who married in high school dropped out and only 8 per cent ever re-enrolled. Among the boys, 43 per cent quit school and only 9 per cent re-entered.

"Although the educational requirements for jobs are continually rising," said Dr. Burchinal, "the chances for further education for boys and girls who marry in high school are very slim."

Educators Disagree

Educators are divided on whether married students should be excluded from regular high school classes. The National Education Association asked a group of elementary and secondary teachers for their opinions. In both groups, 53 per cent replied that boys should be permitted to continue school. And 45.4 per cent contended married girls should be allowed to go on to classes.

Some 34.3 per cent thought the married boys should be excluded; 40.8 per cent thought the girls should. The rest were uncertain. The publication, Nation's Schools, asked school administrators their opinion. Seventy-eight per cent thought married teenagers should be permitted to continue their schooling.

Boston, Cleveland, Miami, New York, Atlanta and Long Beach, Calif., are among the cities which often send married students to evening schools instead of to regular schools, said the report. Several cities including Washington, D. C., place husband and wife in separate schools hoping to discourage other early marriages. Houston and many other cities leave to the school principal the decision on individual cases.

Omaha, Indianapolis and San Diego are among the cities permitting married students to stay in school, but often exclude them from extra-curricular programs.

The newest boudoir caps look like oriental turbans or gypsy-like hair coverings. Many are made of printed floral cotton with a bow on the side.

Pictured with Mrs. Nelson, co-chairman of the book committee are, from left, Mrs. Earl Smoak, Pink Carnation Ball chairman, and her co-chairman Mrs. Jackson Coppas, and Mrs. T. Pathfinders Plan Cognac Festival

A Cognac Festival Luncheon, the first of its kind ever staged in the southland, will be presented by the Palm Springs Pathfinders at the Thunderbird Country Club on Dec. 9, it was announced today by Pathfinders President Mrs. Victor - Hugo Vidal.

The Festival Luncheon will be coupled with a fashion show of Caribbean cruise wear by Saks Fifth Avenue, and will be under the co-chairmanship of Mrs. John Dawson and Mrs. Clarence Brown.

The Cognac Festival, held in cooperation with the French National Association of Cognac Producers, will help raise funds for the Olympic-size swimming pool which the Pathfinders are building for the boys and girls of Palm Springs, at the Palm Springs Boys Club.

Featured at the Festival will be two of America's best known authorities on food, wines and spirits — Helen Evans Brown and James A. Beard. Mrs. Brown, who lives in Pasadena, is contributing food editor of Sunset magazine. Beard, who has turned his New York City mansion into a cooking school, often is referred to as "America's No. 1 Gourmet."

From the cocktail hour through to coffee, all drinks and food served at the Festival will be made with Cognac brandy.

When the luncheon is concluded, Mrs. Brown and Beard will stage a cooking with Cognac demonstration, complete with flaming techniques.

They'll show guests exactly how to make the very luncheon which had just been served.

Mrs. Brown's recent books include the West Coast Cook Book and the Boys' Cook Book. Beard has written Paris Cuisine, the Fireside Cook Book and the James A. Beard Cook Book. Together he and Mrs. Brown wrote the Complete Book of Outdoor Cookery, and between them, their articles and books on foods number in the hundreds.

Tickets for the Cognac Festival Luncheon are \$10. They may be purchased by contacting the Thunderbird Country Club, or by writing directly to the Pathfinders, Box 39, Palm Springs.

DESERT RIDERS, on their first breakfast ride of the season, had a distinguished guest and an unusual number of pretty feminine riders with them, including, from left, the Princess Soraya of Iran; Mrs. Went Tellington, who recently set a world record by completing a 100-mile race in Oklahoma in 13 hours and 20 minutes, and Mrs. Ruloff Cutten, who has recently opened her Palm Springs home and has the Princess as her houseguest.

Palette Club Is Chartered

The Palette Club, which started out as a group of amateur painters dabbling in oils and taking spasmodic instruction under the tutelage of artist John Morris, has been reorganized this year. During the summer months, work has been under way setting up a non-profit organization that is chartered under the laws of the State of California, with its own studios on Santa Catalina and a well-rounded program of art instruction that will include sketching, painting and sculpturing.

Probably the only club of its kind in the world, it is to have a minimum of 20 members with facilities for 40, and the membership is of two classes, founding members who own a membership in the club, without personal liability, and seasonal members.

William Perlberg, William Leeb and Lester Selig, whose wives are all among the founding members, are acting as a financial advisory board to the club, which is, of course, headed by its original founding artist, John Morris.

Plans for the club include bringing in outside instructors with different ideas and techniques, and lecturers, as well as movies showing great artists like Picasso at work in their studios. At the same time any students owning Picasso canvases will bring them for study, on loan to the studio.

All the club members are contributing to the library, with the idea of building up a really great collection of works on art.

Many social names and many names well known in the entertainment world are on the membership list, and these women are to be found there working all day long with brush in hand and palette hooked over one thumb, developing talents that had been totally unsuspected.

One of the club's first projects is a bird mural for the Nurses' residence at the Desert Hospital. It is now in the cartoon stage, which means that it is being sketched out, panel by panel, on ceiling-high strips of paper, testing ideas and designs. The finished mural, a gift from Palette Club members, will be done on the walls in the Nurses' residence, which was built on the hospital grounds by the Women's Auxiliary of Desert Hospital.

And then there are the Palm Springish sort of things that could happen no place but right here. Like the party which Joyce and Noel Clarke gave for the Pathfinders and their husbands on the eve of the Hat Parade Luncheon. Noel thought the party, which honored the three Hat Parade judges, Cobina Wright, Christy Fox and Lynn Spencer, important enough that he had new red carpet laid on the steps leading up to the Naughty Nineties Room, and planned an elaborate buffet.

Cliff Henderson and his pretty wife Marian Marsh (she starred in 25 films, including playing "Trilby" to John Barrymore's "Sevens") thought it important enough to stage his magician act with her assistance.

Comedian Jerry Lester, who just dropped in downstairs, came up to do an impromptu monologue in his funniest style; Buster Dees came over from the Racquet Club to make like a strolling troubador; Claire Christy and Eddie Davis stole away from El Mirador's Safari Room, to do a routine; and Ranch Club's own Jeri Sullivan came upstairs to sing three songs. Jimmy Morton did an impromptu bit of emceeing. The show was on the vaudeville stage, a perfect setting for a great show staged by a lot of talented people.

Bill and I just hosted the party and had more fun than the guests, and this late bit of reporting is because . . . it didn't seem cricket to scoop our out-of-town columnist guests of honor.

That's only a few of the flashing facets of Palm Springs that will soon out-Switzerland the Alps with the world's greatest tramway, that will give the desert an additional tourist attraction to the sunshine, the climate and the beautiful scenery. We live lucky, who live in Palm Springs.

Wendy Jill Howard Will Wed Robert Alan Mirisch

Mr. and Mrs. Sylvan A. Howard of Beverly Hills announce the betrothal of their daughter, Miss Wendy Jill Howard, to Mr. Robert Alan Mirisch, son of Mr. and Mrs. Harold J. Mirisch of Beverly Hills and Palm Springs.

Miss Howard attended the University of California at Los Angeles. Mr. Mirisch was graduated from the Wharton School of Finance and Commerce of the University of Pennsylvania. The wedding will take place in early February, 1962.

ATTRACTIVE as the decorations which they are preparing for the forthcoming style show luncheon, being sponsored by Playhouse Guild, are these three women, who are assisting with this benefit event, to be held at El Mirador on Saturday, Nov. 18. They are, from left, Mrs. George Berkeley, committee member; Mrs. Robert Morrey, decoration chairman; and Mrs. John Q. McClure, who is on the hostess committee.

Playhouse Guild Style Show to Start Activities

With plans for two children's productions this year and a new kind of theatre program that will get under way next year, Palm Springs Playhouse Guild will stage a benefit style show luncheon at El Mirador Hotel on Saturday, Nov. 18, when Dorothy Gray Inc. will present Charles LeMaire's International Holiday Collection. LeMaire, himself will be present to personally commentate the show, making his first Palm Springs appearance.

The luncheon show will be under the chairmanship of Mrs. Dolph Oberfel, with Mrs. Edward Rothbart as her co-chairman. Mrs. W. F. Schlothan is ticket chairman, and Mrs. Robert Morrey, who is decoration chairman, is being assisted by Mmes. George Anderson, John McClure and George Berkeley. Serving as hostesses at the luncheon will be Mmes. Herbert Burns, Richard Bagdasarian and Leland Yost.

A LeMaire gown and a week at the Golden Door at Escondido will be given away that day.

Hosting tables will be Mmes. James Logan Abernathy, George Anderson, Richard Bagdasarian (she will head an AVCCF table), H. H. Benninghoff, Adolph Bremer Jr., George Berkeley, Ted Charlston, Harry F. Clatworthy, Earl Cordrey, Ruth Elder (she will head an El Mirador table), Dorothy Gray Brown, Florence Larned, John Q. McClure, Robert Morrey, Dolph Oberfel, Palmer Powell, Edward Rothbart, Samuel Salinger, W. F. Schlothan, Lester N. Selig, John F. Luccareni (she will head a Smoke Tree table), Joseph Froggatt and Paul Reynolds (heading a Thunderbird table), Chester W. Cohagen (heading a WAIF table), Herbert W. Burns (heading a Palm Springs Woman's Club table).

Plans for this season, according to Guild President Mrs. Luccareni, include sponsoring the Children's Theatre of America under the direction of Maxim Gershunoff, which will present a program of dance here in January. The production, which will offer impressions of Spain, classical symphony and Bachianas Russian Brazileras, featuring members of

District Prexy At Local Unit

Mrs. Lisette Stone, 21st District President, paid her official visit to the American Legion Auxiliary, Unit 519, at the Wars Memorial Building, accompanied by her officers, who read reports.

The Auxiliary meeting was preceded by a joint meeting with the American Legion to hear an informative speech on Civil Defense given by Mr. Smith, a member of the United States Defense Council.

Guests were officers of the 21st District Legion and the president of the Veterans of Foreign Wars, Mrs. Genevieve Prosser, and some of her members.

Following the meeting, refreshments were served in the Auxiliary room.

Conference On College Is Offered

College-bound students of Palm Springs High School and their parents are invited to a PTA conference planned especially for them Thursday night, Nov. 16, at 7:30 p.m. at the high school.

As a result of last year's overflow crowd, the meeting will be divided into two sections. Juniors and Seniors with their parents will meet in the cafeteria, where Mrs. Daniel Wagner, PTA president, will preside and High School Principal Dr. Austin Sellery will be the moderator.

Freshmen and Sophomores and their parents will gather in the school library, where Warren Slaughter will preside and vice principal Dan Angell will moderate.

Dr. Broadbent, from the University of California at Riverside, will explain entrance requirements for all the branches of the State University and for State Colleges. Dr. Ingles of the College of the Desert will discuss junior colleges in California. Dr. Sellery will speak of the private universities and colleges.

All speakers will attend each meeting in turn, and there will be ample time for discussion.

George Scholl, high school advisor, will explain the battery of 10 tests given the college prep student—and will supply definitions of the P.S.A.T., the C.E.E.B., the A.C.H., the S.A.T. and the others on a mimeographed sheet.

Representing the U.S. Army, Sgt. Anning will clarify the draft status of young men in college to the draft, and will enumerate the requirements of service academies, and the reserve programs.

Councilor Mrs. Alcorn will talk about financing college students and will present a complete list of scholarships available to students from Palm Springs High School.

Saturday, Nov. 11, 1961 THE DESERT SUN Page 5

That's Palm Springs for you, scenery like Switzerland, desert dunes like the Sahara, sunshine and climate like no place else in the world, and a cosmopolitan group of people, who have been attracted here by the beauty and the way of life that is Palm Springs.

The other evening I had my first look at the new Palette Club headquarters that is a bit of Paris in Palm Springs . . . unless it is a lot different from the way I have it pictured.

From the time you note those foreign-looking hand-painted vases on the gate posts on the wall outside, you know that here is something with an artistic atmosphere.

Under their new setup (see adjoining story) all kinds of changes are in progress, like the front porch which is being transformed into a gallery, where one-man shows will be held, and this courtesy will be extended to non-member artists, also.

Inside there are paintings, cupboards filled with objets d'art that are likely to show up in still life paintings, and bowls of pomegranates, striped, odd-shaped squashes and flower arrangements, that ARE still life. There are shelves of books that are the beginning of a fine art library, paintings, hung on the wall and stacked against the walls of the big studio, where partly-finished and just-started canvases wait on the easels and paint-smearer smocks are draped over the stools.

A few of the artist-members of the new Palette Club were gathered for cocktails in another big room that is to be transformed into a second studio. They included the studio staff, John Morris, Gar Moore and Veve Selig (she is doing the sketching instruction, when she isn't painting herself). Rosetta Leeb was there with husband Bill, and Lester Selig (the men are two of the three financial advisors for the new Club), and Ruth Cutten and her houseguest the very charming and friendly Princess Soraya were getting the same studio tour and absorbing that smell of oil paints that can get into your blood like printer's ink.

It's just another facet of life in Palm Springs, where day before yesterday I had luncheon at the

Trinidad and got a first look at the Purple Room, I've been hearing so much about. It's really purple and, with its smart decor and single red rosebud in a bud vase on each table, it's a bit of Chicago in Palm Springs. I hear it's even more effective at nighttime.

That same night we paid our first visit to Giorgio's . . . and there's a bit of Italy in Palm Springs. From Giorgio's warm welcome to Louisa's preparation of that divine fettuccine Alfredo, to the espresso with aniseette, it had us not only eating Italian but reaching for our whole Italian vocabulary of "a riverderci," which came in handy as we departed, well-fed and glowing from the crackling rose wine.

There we encountered William M. Nanini, of Chicago, who said it was the best Italian food he'd ever eaten, not excluding Italy. The Naninis had just arrived that day for their usual golfing visit at Eldorado, but an emergency appendectomy had hospitalized his wife. He said her first night out is going to be a visit to Giorgio's.

We missed the opening of our favorite Mexican restaurant Las Casuelas, (too many other things going on that night) but there's a bit of Mexico on Palm Canyon Drive. The same wonderful tacos y enchiladas y chili rellenos, along with more space and comfortable booths and authentic Mexican decor, along with the warm welcome you can always expect from the Delgados, had us murmuring "gracias" along with "adios."

Then there's the continental atmosphere at the Biltmore where we finished our dinner with flaming crepe suzettes and listening to the music poems of Larry Foy. And the superb tourneados of beef served at Eddie Davidson's dinner party at Ocotillo Lodge, and the oriental quality of contrasting the crispness of green peas with chicken noodle soup, the barbecued chicken and the wonderful papaya ice in the half shell at Don the Beachcomber. And the sheer artistry of the Tennis Club chef's filet of sole Lucullus, marinated in wine sauce and stuffed with crab and lobster, which he served to

75 women at Emma Gale's luncheon.

And on and on around town, from the chicken in the pot with matzo balls at The Dunes to these all-too-tempting sweet rolls that are really only a dinner accessory at the Doll House you'll find choice food that Duncan Hines never even heard about.

And then there are the Palm Springish sort of things that could happen no place but right here. Like the party which Joyce and Noel Clarke gave for the Pathfinders and their husbands on the eve of the Hat Parade Luncheon. Noel thought the party, which honored the three Hat Parade judges, Cobina Wright, Christy Fox and Lynn Spencer, important enough that he had new red carpet laid on the steps leading up to the Naughty Nineties Room, and planned an elaborate buffet.

Cliff Henderson and his pretty wife Marian Marsh (she starred in 25 films, including playing "Trilby" to John Barrymore's "Sevens") thought it important enough to stage his magician act with her assistance.

Comedian Jerry Lester, who just dropped in downstairs, came up to do an impromptu monologue in his funniest style; Buster Dees came over from the Racquet Club to make like a strolling troubador; Claire Christy and Eddie Davis stole away from El Mirador's Safari Room, to do a routine; and Ranch Club's own Jeri Sullivan came upstairs to sing three songs. Jimmy Morton did an impromptu bit of emceeing. The show was on the vaudeville stage, a perfect setting for a great show staged by a lot of talented people.

Bill and I just hosted the party and had more fun than the guests, and this late bit of reporting is because . . . it didn't seem cricket to scoop our out-of-town columnist guests of honor.

That's only a few of the flashing facets of Palm Springs that will soon out-Switzerland the Alps with the world's greatest tramway, that will give the desert an additional tourist attraction to the sunshine, the climate and the beautiful scenery. We live lucky, who live in Palm Springs.

Vacationers Gather for Impromptu Cocktail Party

Around a huge firepot, vacationers gathered at Monkey Tree Hotel for an impromptu, no host cocktail party.

In the proper impromptu spirit, guests appeared with a variety of hors d'oeuvres.

Among those gathered for pre-holiday cheer were Dr. and Mrs. George Macer of Pasadena and Palm Springs (they purchased desert property during their visit); Dr. and Mrs. Don Edmeades of Altadena, who made reservations for one day and were still here four days later; Jim Fischer and his fiancée Estelle Froehle of San Marino; Rod and Arlene Rodriguez of Los Angeles; Mr. and Mrs. Jim Givens and their houseguest Mrs. Jay Cumber (she's the former Cheryl Walker, 1938 Rose Bowl Queen); and the Stanley Landens of Arcadia, who will soon move to their Palm Springs home.

Other Monkey Tree guests were the Downie Muirs, Alvin Whittak-

ers and Joe Kincaids of San Marino; the Carl Johnsons and Bob Teenzers of Arcadia; Mr. and Mrs. Jerry Gallman of South Pasadena; and Mr. and Mrs. Dean Welch of Monterey Park.

Grief, Despair 15-Year-Old's Big Problem

By TRAVIS HUGHES
ANGLETON, Tex. (UPI)—Bobby Dunn is only 15 years old but already he's had to find a philosophy to cope with grief and despair.

For Bobby, whose entire family of 11 members was swept away by the flood waters of Hurricane Carla, the recipe is: look ahead, and not behind—except, perhaps, in fond memory.

That happy moment in most boys' lives—coming home from school—was a particularly hard adjustment for Bobby, despite the loving care he receives from the folks he now lives with.

"Every once in a while, I feel alone," he said recently. "Then, I just have to work and study harder. I loved them all."

So Bobby has thrown himself into his school work and strengthened his determination to become an electronics engineer.

Huddled in Attic

Bobby's last view of his foster parents, Mr. and Mrs. R. W. Dunn and his nine brothers and sisters, was from a darkened attic in their home where the family had sought shelter from the hurricane. The water kept rising until it was around their waists as they huddled together.

Then a gust of wind or a swell collapsed the house and separated the family. Bobby was the only survivor. Somehow he came to rest on the roof of the house as it floated about in the water. He clung to it for 30 hours before he was rescued.

While his classmates were returning to school, Bobby stayed with family friends until after the mass funeral of his family. Then he went back to school and began to make plans for the future.

Mrs. Floyd Rogers, with whom Bobby now lives, said the boy never showed the hurt he must have felt from the loss. But Mrs. Rogers, a longtime friend of the Dunn family, is not surprised.

Adopts Mother's Philosophy
"He adopts the philosophy of his mother—that if you cannot do anything about something that has happened, then forget about it," she said.

Mrs. Rogers said the first thing Bobby did after the storm was to get the family's mail from the post office. In the mail was a bill from the telephone company for \$26.

"I guess I'll call the telephone company and tell them that I can't pay it," he told Mrs. Rogers. Then he reconsidered and said, "No, Mother always said that was the chicken way. I'll go down there myself and tell them."

Within a short time after the tragedy, a trust fund had been established for Bobby by Mrs. Rogers from money that poured in from throughout the United States.

Besides money, some letters brought offers of homes. But Bobby said he prefers to stay in Angleton with the Rogers and his friends.

With the dark past behind him, Bobby concentrates on the future. He feels that is the way his loved ones would have wanted it.

Channel Swim

The Channel Swim: Gene Kelly will star in "Going My Way," an hour-long dramatic-comedy TV series that ABC-TV will carry beginning in Oct., 1962. Kelly will portray Father O'Malley, the role originally created by Bing Crosby in the celebrated 1944 motion picture. ABC-TV says it went for the series without benefit of a pilot film or script, but solely on the promising story-and-star combination.

Howard K. Smith, formerly with CBS news, has agreed to serve as host-narrator-commentator for an eight-part public affairs series, "Great Decisions, 1962," which the National Educational Television Network will produce. The half-hour programs, to be aired beginning in February, will analyze such cold war areas as Red China, Iran, Brazil, Berlin, the U.N.

"The World of Billy Graham," second in NBC-TV's action-portraits of famed world figures, is scheduled for Wednesday, Nov. 29. Lucille Ball has signed to star with Henry Fonda and Mort Sahl in "The Good Years," the Leland Hayward special which CBS-TV carries on Friday, Jan. 12.

BUILDING PAYS

TULSA, Okla. (UPI)—Walter Brewer's summer cottage turned into a booming enterprise. Brewer, a photographer, designed the cabin like the letter "A". From the crossbar up is a loft for sleeping and downstairs is the kitchen and living area. It was inexpensive about half as much as ordinary buildings of square foot.

His friends and neighbors heard about it and now photographer Brewer has started building for hire.

Santa Claus Trails 'Befana' in Italy

ROME (UPI)—Santa Claus is becoming more popular in Italy but he still has a long way to go to catch up with the good witch "Befana."

San Nicolas, as he is called here, was not associated with Christmas gifts until recent years. Befana, a gray-haired witch riding a broomstick, is the traditional gift-supplier for Italian children on Epiphany Day, Jan. 6.

Tooth Tip

CHICAGO (UPI)—It might be a good idea to chase that candy bar with carrot strips, according to the American Medical Association.

Santa has been gaining in popularity in northern Italy since the end of World War II but Befana still is the children's delight in Rome and the south.

over, put an added strain on their parents' purses by recognizing both Befana and Santa.

The kind witch Befana tempers her generosity with a little justice. Good kiddies get toys and dolls and naughty ones a stocking full of coal.

Reiects Appeal

STOCKHOLM (UPI)—Soviet Premier Nikita Khrushchev Monday rejected an appeal from Sweden's Prime Minister Tage Erlander to halt nuclear testing.

Khrushchev said in a note to Erlander that he had ordered resumption of tests only after "long consideration and not without an aching heart and bitterness."

A select group of adults also benefits from Befana. On Epiphany Day, motorists leave bottles of wine, cakes, socks, ties, hand-golden or silver whistles on traffic policemen's platforms. Needless to say, few traffic tickets are handed out on Epiphany Day.

This tradition probably goes back to the days of the Roman chariot drivers when once a year they paid a "sorceress" who stood on the Appian Way a "tip" for good luck on their journeys.

Early Day Bishop

Santa Claus is believed here to be a corruption of the Latin "Santus Nicolaus," who actually existed. He was a charitable priest

who became Bishop of Myra in Lycia, Asia Minor, about 16 centuries ago.

As St. Nicolas, he became known for his generosity and tradition says he even supplied dowries for poor girls who wanted to marry.

In Italy, St. Nicolas is considered the patron saint of navigators. There is a legend that he

once stopped with his prayers a storm that threatened to sink a ship loaded with pilgrims going to the Holy Land.

Italian fishermen stole St. Nicolas' body from Lycia in 1087 and removed it to Bari, Italy, for reburial. Pope Urban II consecrated his crypt two years later and the Norman king, Roger, built the Church of St. Nicolas in 1129.

A chapel near the crypt contains a silver altar under which the saint is buried.

St. Nicolas Day is celebrated May 6 with prayers and pilgrimages of fishermen to Bari. Children also pray to him on his feast day, Dec. 6, for his protection.

Filmland Widowhood Is Transitory State

By VERNON SCOTT
UPI Hollywood Correspondent
HOLLYWOOD (UPI) — Some of the most glamorous widows in the world are found in Movieland, a town dedicated to gaiety, not mourning.
But you have to spot them quickly, for widowhood is a transitory state in Tinseltown.
In the past half-dozen years such beauties as Elizabeth Taylor, Lauren Bacall, Jan Sterling and Pat Wymore were widowed, and all were left in reasonable financial circumstances.
In other sections of the country a widow generally is forced to seek a job and becomes an object of pity, the "extra" female at parties.
But in Hollywood she frequently is a social phenomenon who makes more news than a bevy of bachelor girls and married women.
The classic example is Liz Taylor who, 15 months after Mike Todd's death married his close friend Eddie Fisher.
Lauren Bacall found Hollywood a drag after Humphrey Bogart died. She traveled abroad and to New York looking for a new life. It took the sultry-voiced widow Bogart awhile but she found excitement with Jason Robards Jr., an actor who bears a striking resemblance to her first husband and who also believes Hollywood is a drag.

THE DESERT SUN Page 9

TRADITIONAL AND MODERN stylings are present in the beautiful new home of Palm Springs Community Church, located on the corner of Baristo and Cahulla. Rev. James H. Blackstone, pastor, conducts duplicate Sunday services at 8 and 11 a.m. Sunday School is held at 9:30 a.m., and evening services are held at 7:30 p.m. (Desert Sun Photo)

Palm Springs Community Church Dedicates Sanctuary and Chapel

Week-long dedication services for the new sanctuary and the Helen Harrington Schiff Chapel of Palm Springs Community Church will begin with duplicate services at 9:30 and 11 a.m. tomorrow, announced Rev. James H. Blackstone, pastor.

The Sanctuary Choir, under the direction of Dan Kammeyer will present "The Sanctus" with Edward Lyman, tenor soloist, and Mildred Kammeyer at the pipe organ.

2 The Edward M. Harrington Memorial Organ will be dedicated with the presentation of an organ recital by Mrs. Kammeyer at a 4 p.m. Vesper Service. At this time, the Ministry of Music of the church will be consecrated with appropriate music by the choir. Following, a tea will be held.

Special Services
Special services of dedication, which include the various phases of the Ministry of the Church, will be held during the week, and are open to the public.

Dr. J. Robertson Macartney, pastor emeritus, will speak on Monday evening at a 6:30 p.m. banquet, being held for the men of the parish.

On Tuesday, the Women's Association will hold a luncheon, followed by a dedication service, with Mrs. William T. Blackstone,

teacher at Burbank High School, as speaker.

Members will be dedicated to the Christian Education program and prayer and Bible study on Wednesday evening. Speakers will be Rev. Doran Yaliam, who is pastor of St. Andrews Presbyterian Church in San Diego and formerly assistant minister in Palm Springs, and Rev. William T. Blackstone, brother of the local pastor and Minister of Missions in the First Presbyterian Church of Hollywood. All church officers and members of the Sunday School department will dine at 6:30 p.m.

Cost \$400,000

On Thursday evening, a Youth Banquet and special service will be held, with Rev. Don Moomaw, former All American football player from UCLA, as speaker.

A covered dish dinner on Friday at 6:30 p.m. will be followed by dedication to the larger mission of the church, extending to the entire world. Speaker will be Dr. Charles Ainley, who returned from Guatemala last week.

Construction of the beautiful church building, which is the object of dedication, was begun on Jan. 15, and is now completed, with landscaping, furnishing and pipe organ costing approximately \$400,000.

Architect and designer was Robert Inslee, A.I.A. of Orr, Strange and Inslee of Los Angeles. General contractor was J. Putnam Henck of San Bernardino. The art glass windows and Nave wall symbols were designed and prepared by Judson Art Glass Studios of Los Angeles. The Edward M. Harrington Memorial Pipe Organ, made and installed by the Wicks Organ Co., consisted of 29 ranks of pipes, totaling more than 2,000 pipes, and will be one of the outstanding pipe organs of the Southland. Gifts,

given by nearly 700 individuals, ranging from \$1 to \$35,000, have made the building program possible.

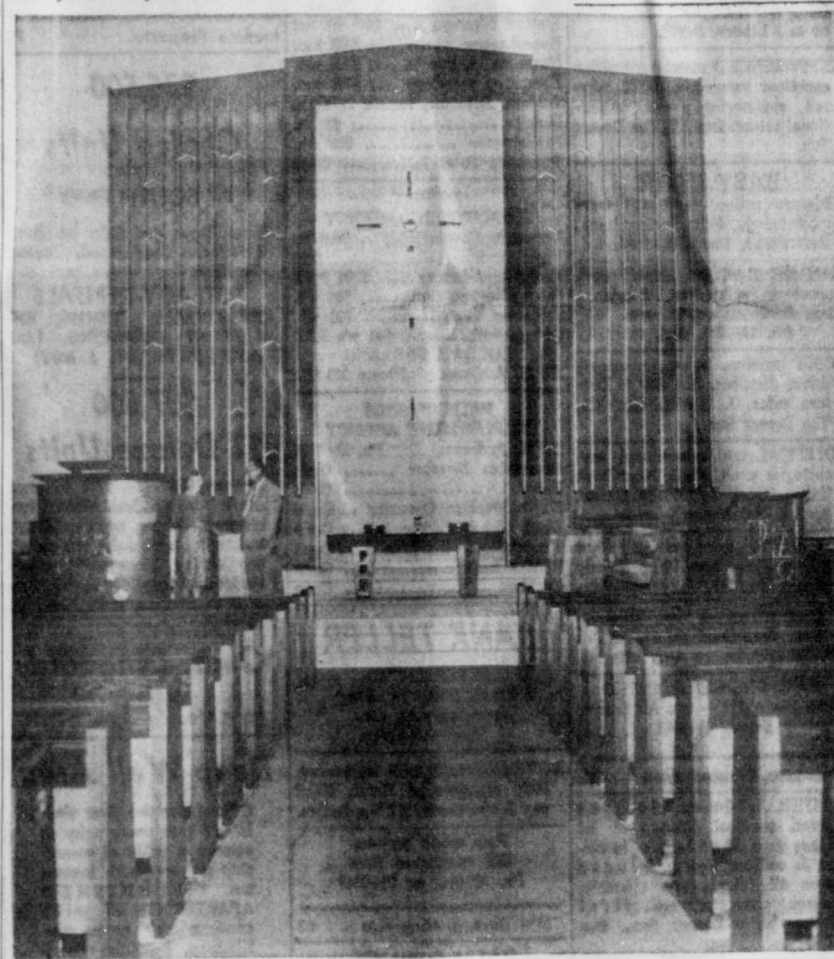

Began in 1954

The need for the expansion was felt as early as 1954, when the church began to purchase additional property. By 1956, enough property was secured to warrant the beginning of a fund drive for the new building. During the next three years the plans were care-

fully prepared, and after a supplementary campaign for funds the congregation voted to proceed with the construction.

Building committee chairman for the entire campaign was Fay E. Brainard.

Chairman of sub-committees were: Dr. Walter Fifield, memorials and special gifts; Paul Burkholder, finance; Frank Cary, landscaping; and Don Macpherson, chairman of the board of trustees.

STANDING IN SPLENDOR above the Communion table in the Chancel of the new Palm Springs Community Church, is a 14 foot bronze cross, which is inlaid with chipped art glass in shades ranging from amber to green. It is fluorescently lighted and stands between the walnut grill work, which houses the new pipe organ. (Desert Sun Photo)

Science Talk Of God, Man

The indestructible relationship of God and man will be explained at all Christian Science services Sunday in a Lesson - Sermon on the subject "Mortals and Immortals."

These words of Paul to the Romans (8:16-17) will be included in the selections from the Bible, "The Spirit itself beareth witness with our spirit, that we are the children of God: And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together."

A correlative citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states, "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (p. 491).

In the Golden Text from Romans Paul counsels, "They that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit" (8:5).

Rev. Forbes Is Guest Speaker

Rev. Forest Forbes, who has served 31 years as a missionary and minister, will be the guest speaker at Desert Chapel, 630 Vella Road, in Palm Springs.

As a missionary, he served in the area of Southeast Asia where the Communists are now stirring up trouble. His message will be informational as well as inspirational.

He will speak at the morning worship at 11 a.m., and the evening service at 7 p.m. Everyone is invited.

Baha'is Celebrate Birth of Founder

Baha'is of Palm Springs will observe the anniversary of the birth-day of Baha'u'llah, Prophet-founder of their Faith at 8 p.m. tomorrow at the home of Mr. and Mrs. Arthur Hendershot, 1973 El Oro Way. The public is cordially invited to attend this observance.

When Baha'u'llah revealed his mission almost 100 years ago, he declared, plainly and repeatedly, that he was the long-expected educator and teacher of all peoples. To Israel he was the "Lord of Hosts;" to Christendom Christ returned "in the Glory of the Father;" to Islam the return of the Imam Husayn; to the Zoroastrians the promised Shad-Bahram; to the Hindus the reincarnation of Krishna; to the Buddhists the Fifth Buddha.

He declared his mission to be none other than to unite the peoples of the East and the West and to establish the Kingdom of God upon earth as promised by Christ.

By his teachings he laid a foundation which affords a firm basis for Unity throughout the whole world. Search after truth, the oneness of mankind, unity of religion, of races, of nations, the reconciliation of religion and science, the eradication of prejudices and superstitions, the equality of men and women, the unification of languages, the setting up of a supreme international tribunal — these, and many other teachings like these, were revealed by the pen of Baha'u'llah, in innumerable books and epistles several of which were addressed to the Kings and Rulers of the world.

As proof of the unifying power of his word, millions of Baha'is, all over the world, from every race and creed, recognize Baha'u'llah as the return of the spirit of Christ. They accept his teachings as guidance from God for this critical period in the history of mankind.

Communism Sermon Talk

The Community Church of North Palm Springs has voted to conduct a monthly forum on some phase of the challenge of Communism to Democracy and Christianity. The series will commence tomorrow.

At the 11 a.m. worship service, Rev. Dwight Ball will speak of the beginnings of the Communist movement and of its methods of propagation which are often alarmingly successful. After the service, booklets on this subject will be distributed to those interested.

At five o'clock Sunday evening, an open forum will be conducted in the chapel at which matters discussed in the sermon and leaflets can be further clarified. At six o'clock those attending will have box lunches together. Coffee will be furnished. Guests are welcome.

Fellowship Is Rev. Arnold's Sermon Topic

Sermon topic, "The Fellowship of the Losers," will be preached by the pastor, Reverend James W. Arnold, at the 11 a.m. service at the Community Church of Cathedral City, located on Chupero Lane at Terrace Road.

The Sunday Church School meets at 9:30 a.m. and has classes for all ages. The Senior High Fellowship meets at the church at 7:30 p.m.

A REALTOR'S NOTES

by Isabelle Cameron

PERHAPS THE ROSE IS YOUR FAVORITE FLOWER TOO! Perhaps you didn't know that roses just thrive in our desert. We are clipping five or six long stemmed beauties each morning from our garden. . . . The stems are 12 inches, vibrant reds, pinks, yellows and whites with the gentle fragrance indigenous to only the "rose" . . . try planting them in your garden. It will be most rewarding.

WE OFFER A RARE OPPORTUNITY. \$39,900.00. A furnished home right on the fairways of Indian Wells Country Club. The price is most unusual, the home is delightful. Custom designed and custom furnished. The contemporary living room is accented by wood paneled wall and a corner fireplace with sliding glass doors to the pool and deck area. An unbelievably beautiful view with acres of lush green fairways. There is a built-in general electric kitchen and all the refinements of a custom home. Five ton refrigeration air - conditioning, furnace heat. Two bedrooms, two baths and a den. Wall to wall carpeting throughout and oodles of wardrobes. Large storage for "out of season" garments. A top location and a "way of life" are some of the features offered in this purchase. By all means "see for yourself."

EVERYONE SHOULD OWN A piece of the "good earth," especially in an area like Rancho Mirage where you can walk to the Safeway Shopping Center, in the Palm Springs school district. You can own a beautiful home-site lot 100 x 240 for only \$4,500.00 and you can purchase it on terms. Its only five minutes from the fabulous new Junior College.

MANY DEVELOPERS ARE PLACING THEIR SITES ON THE DESERT. Be prepared for the future, invest your dollars in a good parcel of acreage. Good for future development, right off the freeway, between Palm Springs and Rancho Mirage. Public utility water and power lines are on the property. It's 113 acres, large enough to develop. It's only \$1,500.00 per acre and the terms are excellent.

AN INCOME PROPERTY WITH INCOME. Fourteen units in Rancho Mirage. These units are well furnished, five years old, and have been very well operated. The clientele is established, all units with refrigeration air conditioning. Some trade will be accepted provided the "trades" are realistically priced. Complete information to interested buyer. \$140,000.00

"DESERT BRAEMAR" co-op apartment. Located near Tamarisk Country Club. A deluxe development beautifully maintained and you don't have to worry yourself about a thing. Grounds, pool, everything is taken care of for you. Just lock your door and go away with "narry a thought." Move right in to a two bedroom furnished apartment home. Full price \$22,000.00.

FOR MANY YEARS IN FACT SINCE 1936 our office has been established. We can and will help guide your Real Estate investments. Whether it be land for development or investment . . . or a simple or extravagant home . . . A commercial or income property . . . or even a seasonal or permanent rental . . . We are at your service.

OUR FIELD OF SPECIALIZATION is in the areas of Tamarisk, Thunderbird, Indian Wells, Bermuda Dunes and El Dorado Country Clubs. In Rancho Mirage and Palm Desert. In the acreage and farm lands of Indio, Coachella and Thermal. Consult with us before you buy and "by all means" consult a REALTOR. Secure your investment with an established and experienced firm.

Calvary Bible Church Is Scheduling Regular Meets

Calvary Bible Church, Palm Springs' most recently established church announces that services are scheduled each Sunday.

Meetings will be held regularly in the American Legion Hall at 400 North Belardo Road. Services will be held on Sunday at 11 a.m.

and 7 p.m. The Sunday night service will be a special evangelistic service.

While being strictly undenominational in character, the church is interdenominational in spirit, according to the minister, Mr. J. Wesley Smith.

Smith has been a Palm Springs resident for six years. He has spent over 17 years in full time ministry. Part of this time he has known as the "flying parson," piloting his own airplane from place to place.

A most cordial invitation is extended to all.

PALM DESERT'S FIRST LADY OF REAL ESTATE

WITH the falling of the Autumn leaves signaling the approach of another wonderful Season, I would like to say that . . .

AFTER spending Sixteen years here in this Desert, it has been proven to me that nearly everyone has a hidden wish, a secret Prayer and a natural yearning to find the Pot of Gold at the end of His Rainbow.

DUE to the wonderful opportunities now opening up in this area, I look forward to a future even brighter than the past . . . and with this in mind, may I point a very small finger in the direction of one of Palm Desert's Greatest Treasures . . .

Guest List for Rose Bowl Has 30 Names

SAN FRANCISCO (UPI)—The Big Five has a list of 30 names under consideration for a Rose Bowl bid, according to Tom Ham-

ilton, executive director of the AAWU.

He said Friday that he already has sent out "feelers" to several teams to see if they would be interested in playing in the Pasadena oval.

"But we definitely have made no commitment to any one team and certainly wouldn't do so this early in the campaign," he added.

"We inaugurated a policy more than a year ago of looking for the best team, whether it was in the Big Ten or some other section of the country," he explained. "The Big Ten, at that time, did not want to sign an agreement.

The Big Ten teams are still eligible to participate in the Rose Bowl, and some of the clubs want to make the trip. But Ohio State and Minnesota, leading the conference, are considered doubtful starters.

"Our policy is to choose an outstanding team from any part of the nation," Hamilton said.

Among teams outside the Big Ten reported under consideration are Alabama and Georgia Tech. High-ranked clubs such as Mississippi and Louisiana State are out of contention because of their segregation policies.

Guest Day Play Held

Ladies Day play at Bermuda Dunes CC Thursday resulted in 11 winners in three classes of Guest Day medal play.

First low net in Class A was won by Mrs. W. W. Kelly, with Mesdames Edward Coffey, Charles Hanson and Edward Papazian following in that order.

In Class B, Mrs. J. A. Foley took low net, while runners-up were Mesdames H. M. Parks, Henry Getz and Richard Paul. Mrs. Clyde Hollenbeck won low net in Class C, with Mrs. Paul Jenkins second, and Mrs. George Cickley third.

National Senior Open Lures Golfers Here

Three hundred senior golfers—aged 50 and over—will be trying to take the championship trophy away from Tacoma's Charles Congdon next week in the fifth annual National Senior Open Championships.

Defending amateur champion in the open is John Dawson, of Puma Valley CC, who just finished as runner-up this week in the Desert Seniors Golf session.

The event, which will be played over four courses, has been limited to 300 entries, and Congdon will be on hand trying to keep the title he won last year. The 72-hole event will start on Tuesday and run through Friday at the Eldorado, Bermuda Dunes, La Quinta and Indian Wells courses.

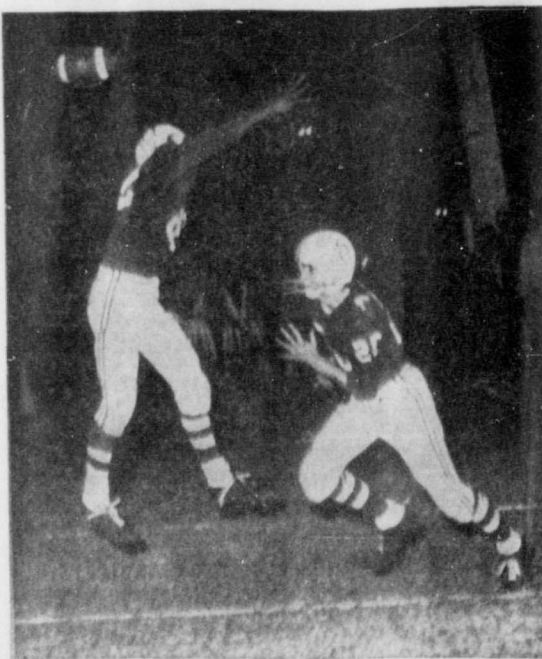

Field Culled Friday
Final day's play will be limited to the top 100 golfers after the 54-hole first three days. Those days will determine winners in professional and amateur divisions for six age groups. The final day will determine the National Senior Open champion, and be played at La Quinta.

Officials of the National Senior Open Golf Association report they hope the awards this year will exceed last year's total winnings of nearly \$22,000.

Festivities get underway Monday with a Pro-Amateur best ball foursome over 18 holes with prizes awarded to the low 12 teams.

Tournament Chairman said the field was limited this year so that the event would have a more "classical" touch than the "mob scene" of a huge field. He stressed the fact that the local club players would not be inconvenienced since most of the contestants would be off the first tee by 11 or 11:30. Tee-off time each day is 9 a.m., with about 75 players at each of the four courses.

This is the third year the National Senior Open has been held at Palm Springs courses, having

BAD NEWS for Indian fans happened here last night as end Steve Carillo, left, and Gary Foster, try to do something to stop a Banning pass from hitting its target. Carillo missed his swipe at the ball, however, and Foster couldn't catch up to it so it went for a Banning completion to player out of the picture. (Desert Sun Photo)

Heavy Hopeful Alongi Faces Logan on TV Tonight

By JACK CUDDY

NEW YORK (UPI)—Tall Tony Alongi from Hollywood, Fla.—unbeaten heavyweight protege of ex-champion Rocky Marciano—is favored at 8-5 to whip aggressive George Logan of Boise, Idaho, tonight in their TV fight at Madison Square Garden.

Alongi's first Garden main event, a 10-round, will be televised nationally.

In this bout with Logan, who fought challenger Tom McNeely three times, Alongi (pronounced Alongee) seeks his 28th straight victory and a possible ranking among the top 10 contenders.

Apparently a good combination boxer-puncher, the 22-year-old belting beanpole scored 16 knockouts. However, there are no "big" names on his list of opponents. The two best known are Tod Herring of Houston, Tex., and Jeff Davis of Las Vegas, Nev.

Alongi says he stands only six-foot-three, despite reports that he stretches up to six-foot-five. Brawny, well-built Logan, 25, lost three bouts to challenger McNeely of Arlington, Mass., last

year. The first of those defeats was on a fourth-round TKO because of face cuts. The other two were on decisions. Idaho George had the consolation of flooring McNeely in their second match. Logan won six of his seven bouts this year. He dropped a verdict to young Jack Johnson on June 7. George scored 13 knockouts while winning 21 of his 27 bouts—the same number Alongi fought. He had one draw.

Three Ties in O'Donnell Golf

Three ties were the result of the O'Donnell Golf Club's Ladies Choose-Up play Thursday with six teams sharing the top three positions.

First place tie resulted between three teams consisting of Mesdames Rose Montgomery, George Robertson and Steve Royce on one team and Mesdames Tom Williams, Eva Murphy and Jack Lynch on the other. The score was 62.

Tied for second at 64 were teams composed of Mesdames Walker Smith, Harlan Loud and Ed Nelson, and one of Mesdames Roy Maryatt, O. M. Slosson and Earl Thompson.

In third place, at 67, were Mesdames George Lindsey, George Stasand and William Reichel on one team and Mesdames B. O. Larsen, Evelyn Cammann and Al McCoy on the other.

Banning Rolls Over Tribe

Palm Springs Stalled by Bronco Squad

By GENE JOHNSON

Each team scored the first time they got their hands on the ball last night, but it was only the beginning for Banning and it was the last big effort for the Indians. So the game ended Banning 28, Palm Springs 7.

After their first drive of the night, the Tribe only penetrated Bronco territory once more the whole remaining three quarters—and then they could only get to the Banning 43.

Palm Springs could pick up only 85 yards passing and rushing while Banning controlled the ball and the game to the tune of 295 yards total offense.

The Broncos won the game with ease even though they kept their star breakaway runner, Bill Green under wraps most of the evening. The vaunted passing of Craig Van Kirk also was inactivated as it was Gary Rubus who did most of the throwing. Van Kirk made himself felt, however, with a rollout fake that had the Indians upset all evening.

One to a Quarter

Banning scores came one to a quarter. Two passes from Rubus to Jim Holland and a 15 yard run by Sal Rios put points in the Banning column. First score of the evening came five and a half minutes into the game when Van Kirk ran 17 yards on a rollout to cap a nine-play 43 yard drive.

Although Banning kicked off to start the game, it was an inside trick and the Broncos recovered on the Palm Springs 43. They resolutely marched the necessary yards for the score.

It was following that drive that the Indians took command for the first and only time during the evening. The Tribe took control of the ball from their own 49 after the Banning kick-off went out of bounds.

Wheeler and Bussberg

Benny Wheeler and Wayne Bussberg took turns carrying the ball on the drive which was featured by Bussberg's 12 yard plunge to set up the scoring play on the two-yard-line. Wheeler then made the touchdown and Bussberg boomed in for the extra point.

The game was tied 7-7, and it remained that way until 30 seconds remained in the half when Rubus made his first TD pass to Holland from 20 yards out. It appeared the Tribe and stymied the Broncos after Gil Flores threw Van Kirk for a loss from the 14 back to the 20, but the next play went for the score.

That score was set up on two bad breaks in a row for the Tribe in the form of penalties on fine Bill Bradley punts. The whistle-happy officials spent most of the evening playing a sort of private

ground. Banning players coming up are Ken Love (28), Jim Wiggins, number obscured, and Ed Martin (18). Broncos won, 28-7. (Desert Sun Photo)

Indio Stays on Victory Trail; Routs Twenty-nine Palms

TWENTYNINE PALMS—Champion-bound Indio kept the steamroller moving last night as they overpowered under-manned Twenty-nine Palms to virtually clinch their first Desert Valley League title, the score was 26-7.

The Wildcats were no patsies, however, as they scored first and threatened several other times during the evening. They were inside the 20 twice in the scoreless third period but they couldn't get the few additional yards.

Indio's Bill Thrasher's passing arm wasn't keyed in right as he had two intercepted and only made three good out of seven tries but they picked up 65 yards. It was his first interception — by Wildcat Sonny Barry — that set up Twenty-nine Palms lone score.

drop-the-hanky game of their own.

Penalty-Ridden

Both teams suffered from the multitude of penalties, but in this instance it was Palm Springs' turn as the two Bradley punts went out to the Banning 20 and 41 yard line only to be called back for successive offside penalties. His next one went straight for the sidelines and the Broncos took over on the Indian 14.

The third quarter saw Rios make his touchdown four minutes after the new half started. It culminated an eight-play 73-yard drive. Final Bronco score came on another long drive — this one of 70 yards — as Rubus passed to Holland from 26 yards out on a wobbly throw which just barely made it. Rios made all four extra points through the line.

After the half, the Indians were never in the game as they could pick up only one first down during the last two periods to go with their five picked up in the first half. Banning made up 13 first downs.

The decimated Indian squad only fumbled once and had no passes intercepted, but their lack of errors went unappreciated as the offensive game was stalled by the Bronco forward line all evening.

Even though they picked up four touchdowns, it didn't seem that Banning was extending itself. But it was enough.

Kegler's Korner

The Locker Club bowling tournament at P5 Lanes was a success as eight teams vied for first which was won by the trio of Mousie Powell, Marge Jackson, Pete Tarro with 2039. Rudy Zeman's 278 was the high individual men's series. High women's series was bowled by Evelyn Sylvester at 718.

Next week's tournament is Jackpot bowling where only the strikes are counted. Women will receive a two strike handicap and men under 160 average a one strike handicap.

Tom Beamesderfer and George Sylvester came close but couldn't quite succeed in breaking the Bank Doubles at Palm Springs Lanes their 1,361 handicap. The lead changed four times during the week as 32 doubles teams tried to reach the coveted 1,365. First it was Scarms and Claasen at 1,258, then Childress and Sylvester at 1,268, then Hall and Newell at 1,269, and finally Sylvester and Beamesderfer, 1,361.

Arabs Run Over Yucaipa, 39-6

THERMAL — It took the Coachella Valley Arabs a full period to get untracked against weak Yucaipa here last night, but when they did it was brutal. They beat the Thunderbirds, 39-6.

It might be termed a moral victory for the little Yucaipa team, however, as it was the first time they scored a point in seven games. They did it on a break by retrieving a Coachella fumble on the Arab 17 yard line. It took only three plays to make the score when Jim Rhonda powered over from the one. It was set up by a Bob Woodward pass and Dean McKernan seven yard run.

The game was still close at intermission as the Arabs could pick up only two scores in the second period to make the score 13-6 at the half. Two Roger Totten short passes put the points up for the Arabs.

Score by quarters:
Arabs 0 13 14 12 — 39
